

Suspect PPID? Maybe you should.

Boehringer Ingelheim is offering complimentary PPID diagnostic testing between April 7 and June 9, 2026.

Follow these steps to request your complimentary tests:

Visit **IDPPID.com** and sign up for the testing program.

Enroll **up to two horses**, then check your email for submission forms and prepaid shipping labels.

Submit forms and plasma samples anytime between **April 7 and June 9, 2026.***

*Submissions arriving at Cornell University Animal Health Diagnostic Center (AHDC) after June 12, 2026, are ineligible to receive this promotion. NOTE: Enrollment and submission forms from past years will not be accepted during this promotion period.

NEW IDPPID Recheck Testing Program now available!

Horses diagnosed with PPID during the Spring 2026 IDPPID testing period and treated with PRASCEND® (pergolide tablets) may be eligible for Recheck Testing within six months of initial diagnosis. Learn more at idppid.com/testing-program.

Boehringer Ingelheim reserves the right to end or modify the program, in whole or in part, at any time without notice. The program is available only to practicing veterinarians with valid veterinarian-client patient relationships.

QUESTIONS? Please contact **Boehringer Ingelheim Customer Care** at **888-637-4251** or **CustomerCare@boehringer-ingelheim.com**

IMPORTANT SAFETY INFORMATION: PRASCEND treatment may cause loss of appetite. Most cases are mild. Adverse reactions may occur if animals other than horses ingest PRASCEND tablets. Not for human use. Do not ingest the product. Refer to the package insert for complete product information.
